

Open Studio at Osage Arts Community – Art Center

Open Studios at the Art Center allow participants to work on their own or under the guidance of Osage Arts Community's resident artists. Bring in a project you're working on, finish a piece, or start something new. Resident artists will be demonstrating a different art technique at each open studio, including clay, painting, drawing, collage, book making, mixed media, and more. Artists of all ages and levels are welcome. No prior experience necessary. Art materials will be provided. At this point, there is no fee for supplies or instruction.

Imagine having the time, space and materials to work on any sort of project you like, at your own pace, as well as share quality, creative time with family and friends. The Art Center is a great place to learn and meet new people, too! Open Studio is not limited to visual art; come write poetry and compose music with us as well!
